CORNING WARE[®] Basics

The cookware all America knows and loves to give. Our research tells us that CORNING WARE cookware is in over two-thirds of American homes because we have what America wants – freezer-to-oven-to-table practicality and a whole gardenful of patterns. Available in starter sets for each new generation of CORNING WARE lovers and in pieces they'll add over the years.

CORNING WARE[®] Little Dishes

Little, single-serving dishes for the way America eats today. Research tells us that a big family supper is no longer the norm. Americans are eating at lots of different times and cooking now and reheating later. That's why we're giving them a line of individual "little dishes" with a wide variety of uses – bet they can't buy just one.

CORNING WARE[®] French White[™] Cookware

Beautiful and practical... cookware designed for today's fashion conscious consumers who are cooking and entertaining more elaborately. And, because it's CORNING WARE cookware, it's practical enough to use every day.
