Gentlemen:

The subscribers would respectfully inform you that their works having been rebuilt and greatly enlarged, they are now prepared with increased facilities to furnish all kinds of Rich Cut, Plain Blown, and Pressed Glassware, in plain flint and colors. They are also prepared to furnish at short notice the best quality of Cane glass, of all sizes and colors, suitable for the manufacture of buttons, dress trimmings, &c. Thermometer, Barometer, Vial, and Gauge tubing drawn to order, and warranted to give entire satisfaction.

Druggists' and chemical glassware.

Special attention given to private moulds, and moulds made to order for parties desiring them.

Attention given to matching odd articles both in cut and plain glass.

Having had many years' experience in the glass business, we feel confident in being able to execute orders promptly and in a manner calculated to please.

Soliciting a share of your business,

We remain, Yours, Truly,

BROOKLYN FLINT GLASS WORKS,

A. HOUGHTON, Treasurer.
